

Do it yourself Cat Tent

What you'll need:

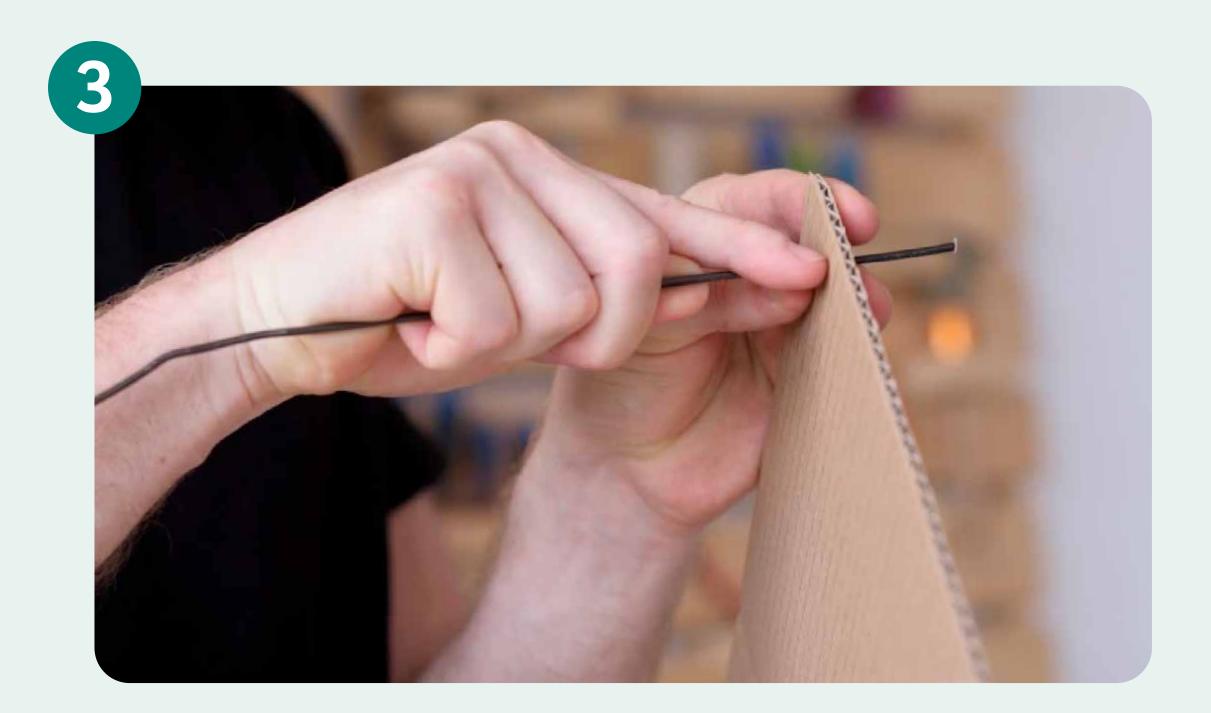

- One 35 cm x 35 cm Cardboard
- Pliers
- 2 Wire hangers
- 4 Safety pins
- Tape
- 1 Medium T-Shirt

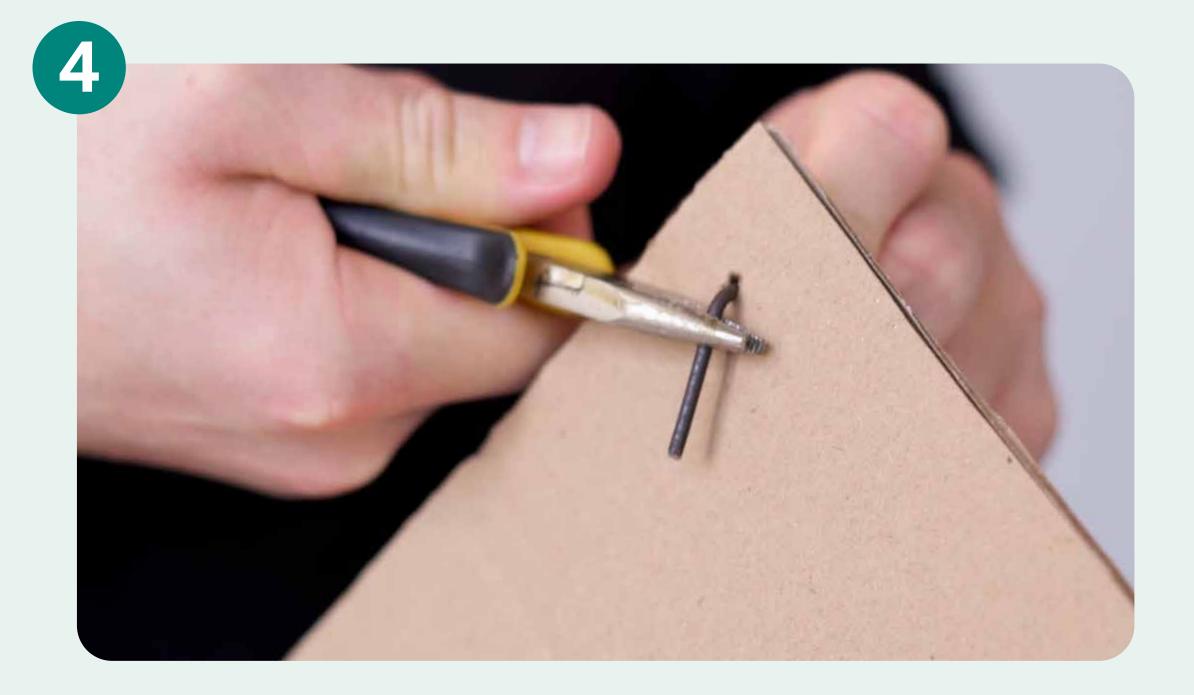

Cut the hooks off the wire hangers.

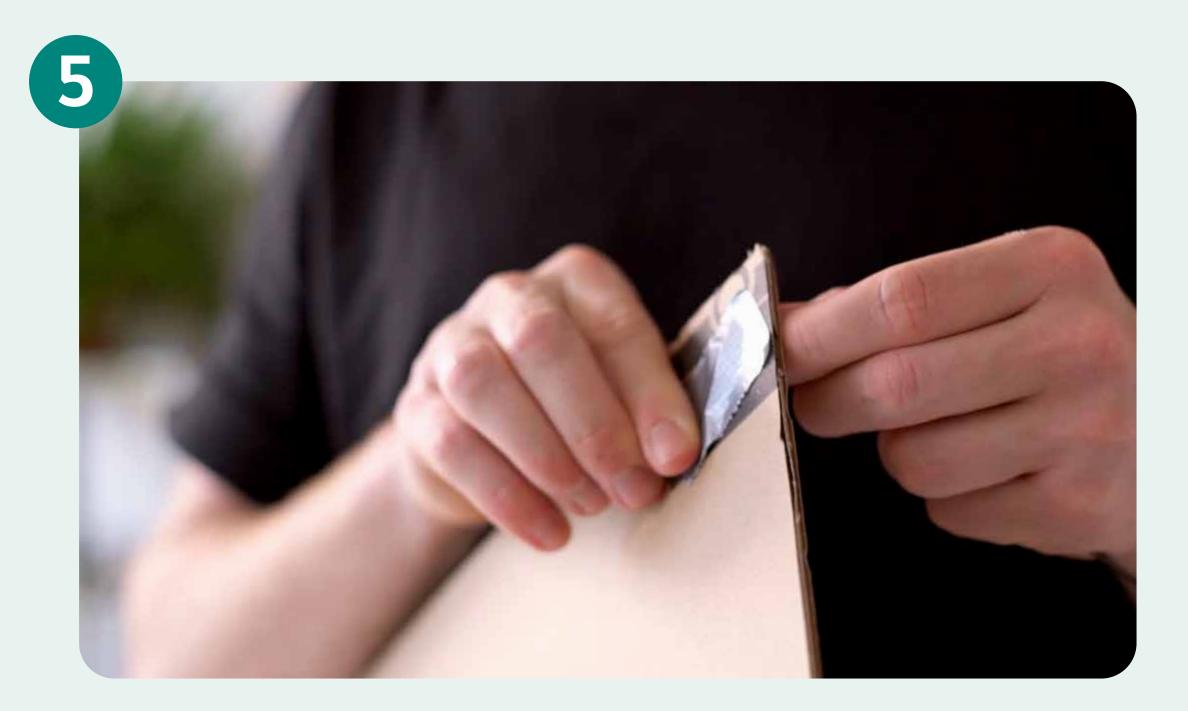

Straighten the wire hangers as much as possible.

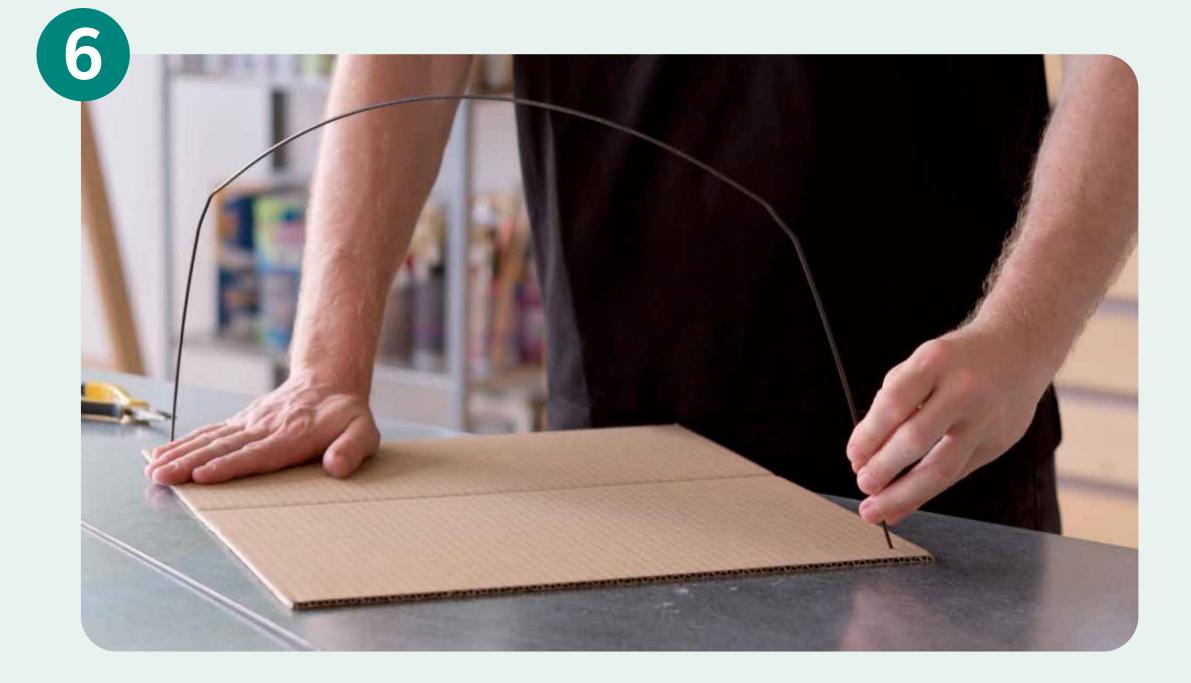

Push one side of the wire hanger through a corner of the cardboard, leaving 2,5cm poking through.

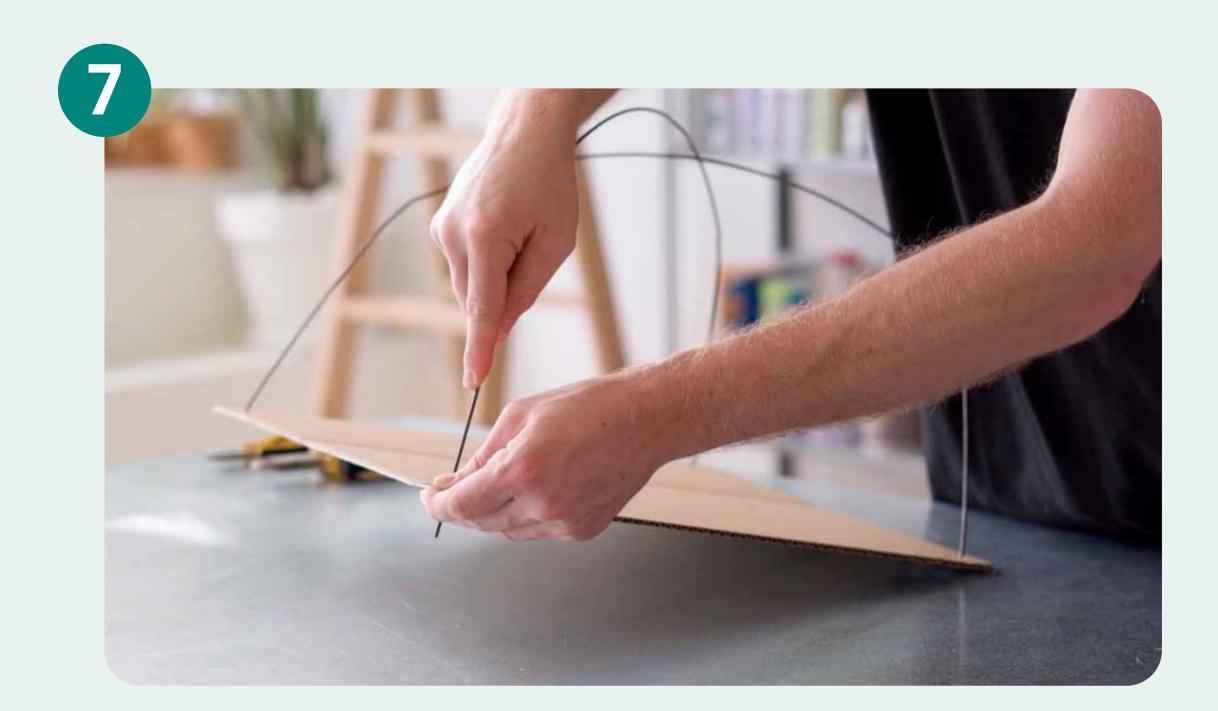

Bend the wire at a 90° angle.

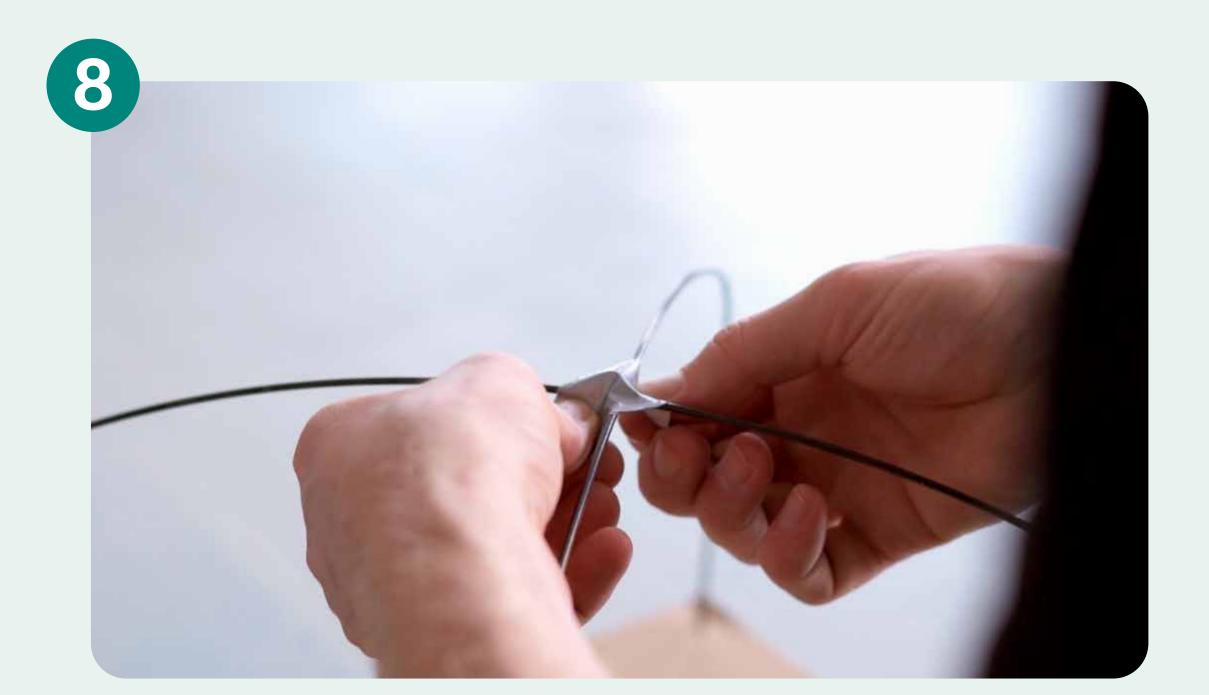

Secure in place with a piece of tape.

Repeat in the opposite corner of the cardboard push > bend > tape.

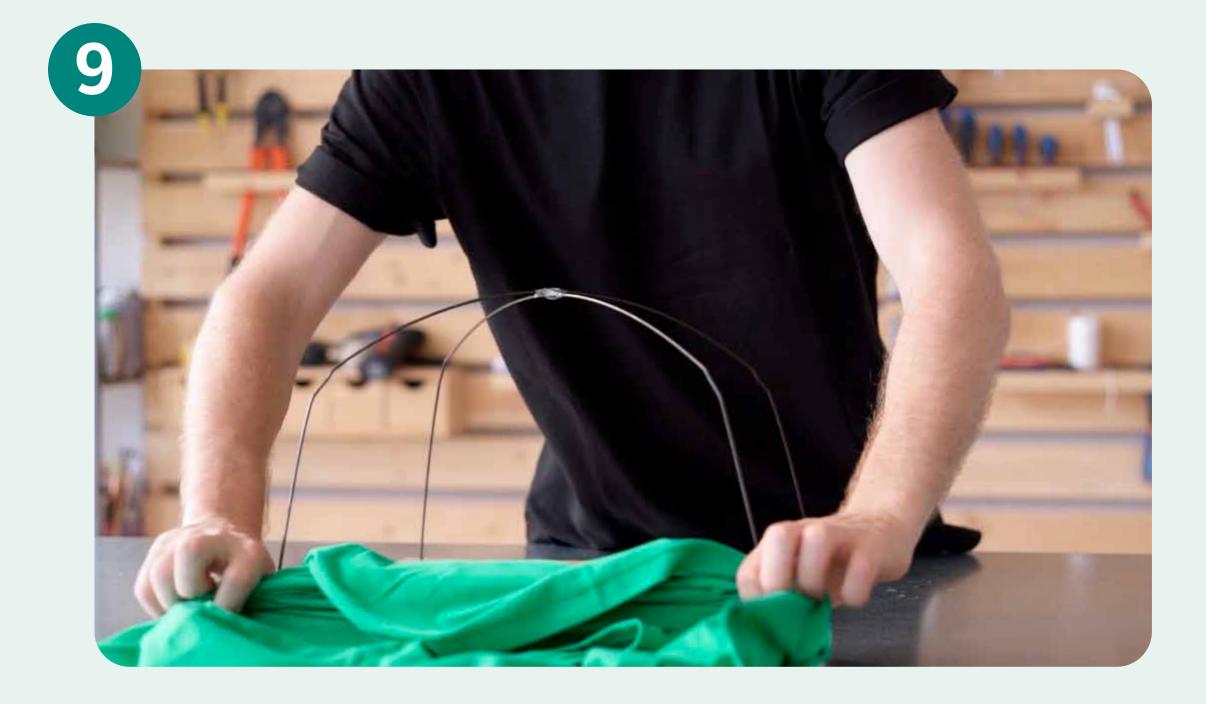

Repeat the process with the second wire hanger.

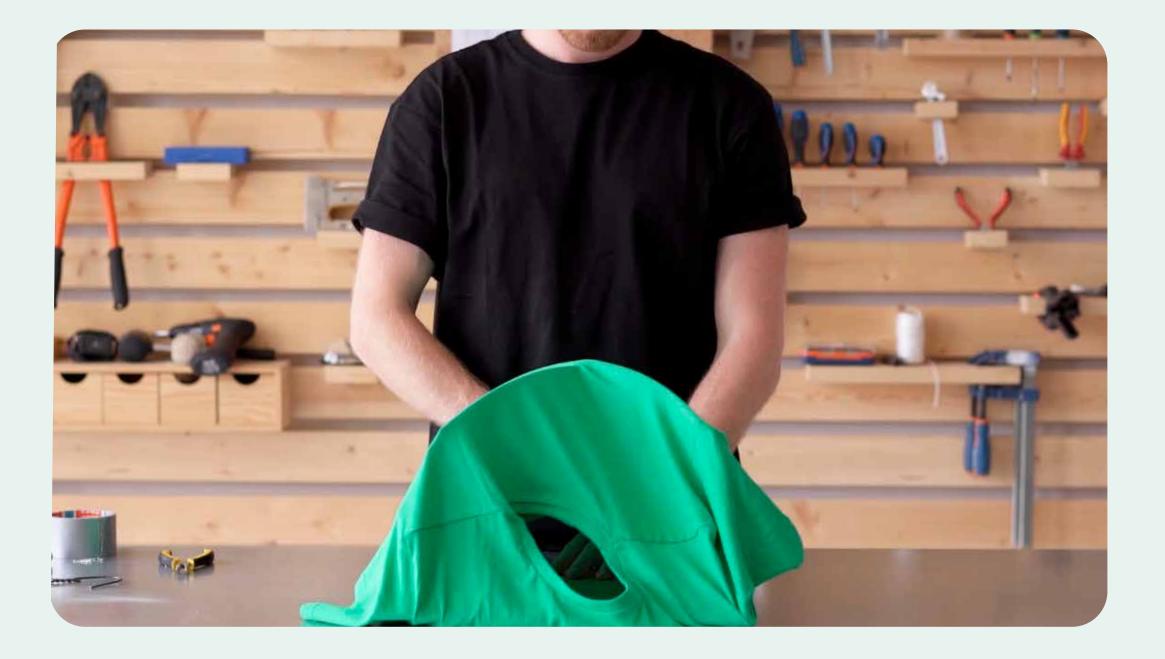

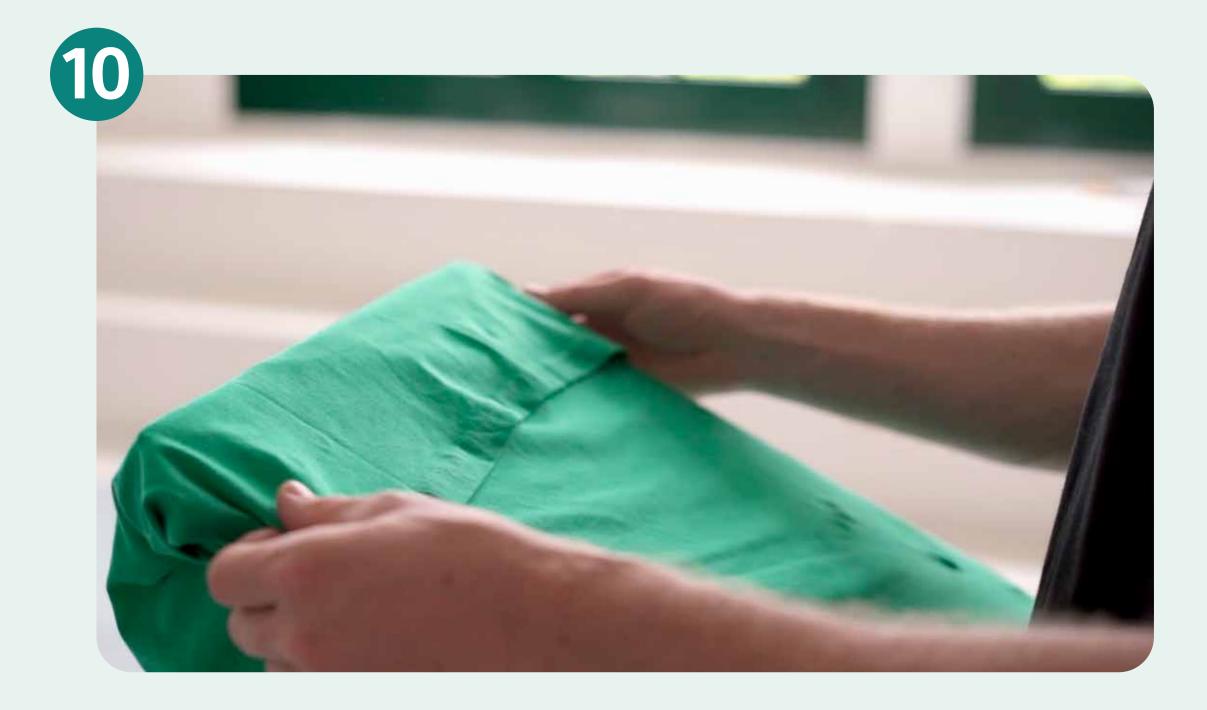

Secure the center of the frame using another piece of tape.

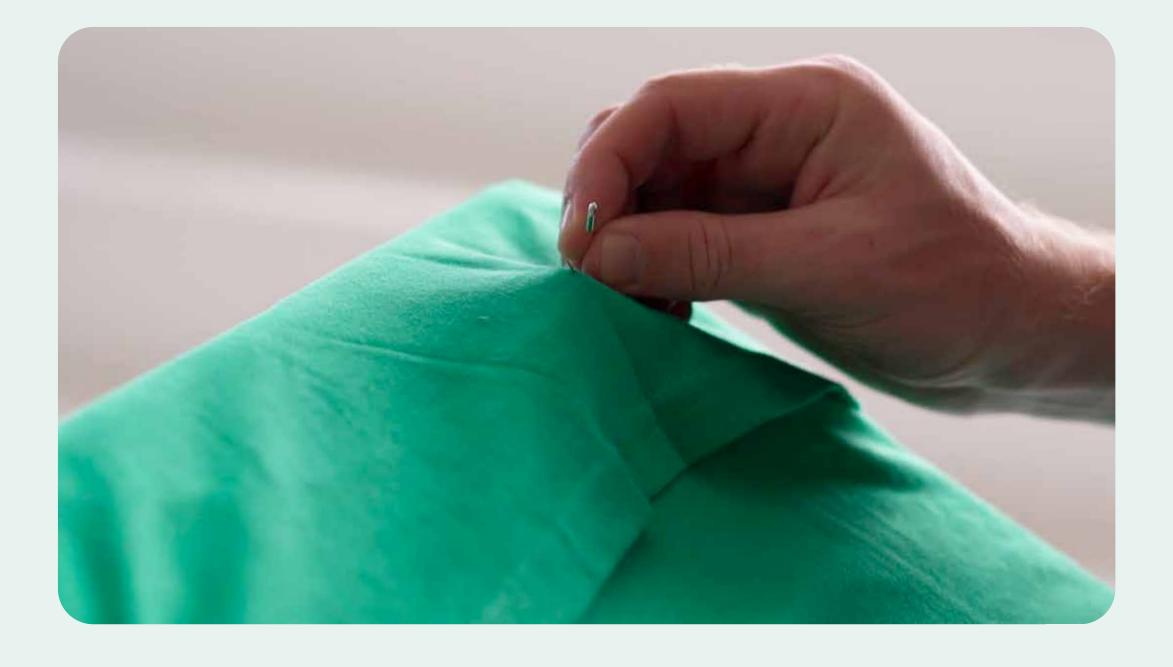

Take a pause if you like but we're Nearly There

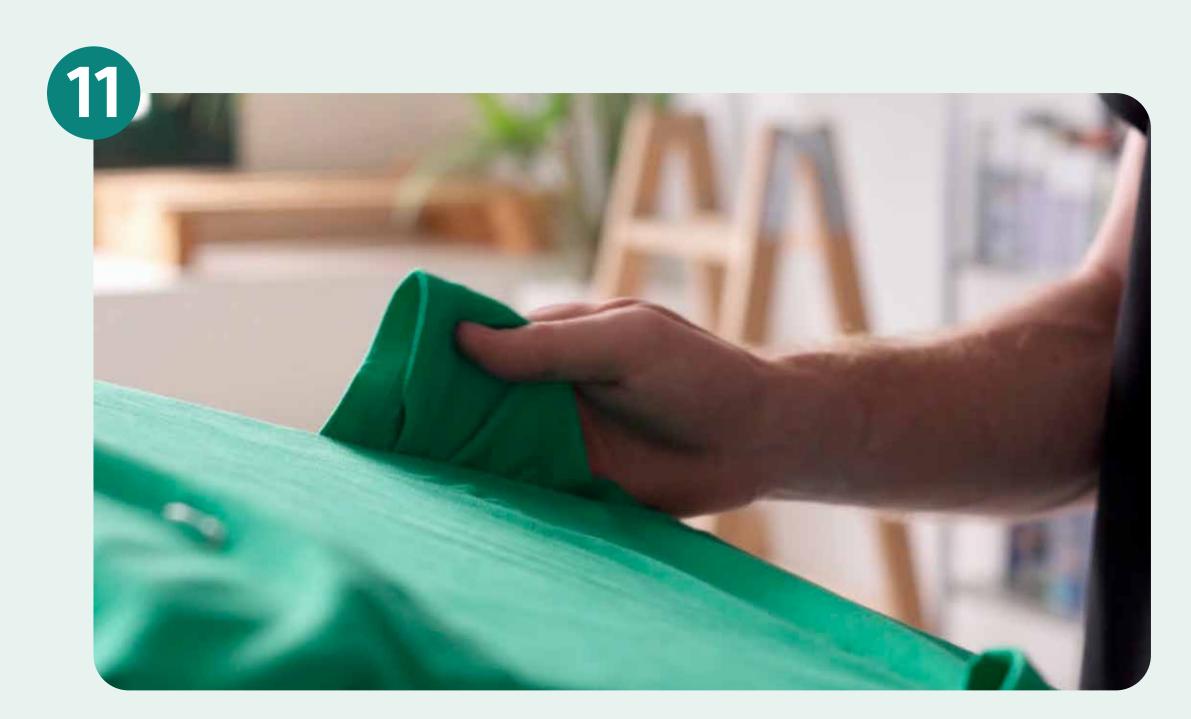

Dress the frame with a T-Shirt.

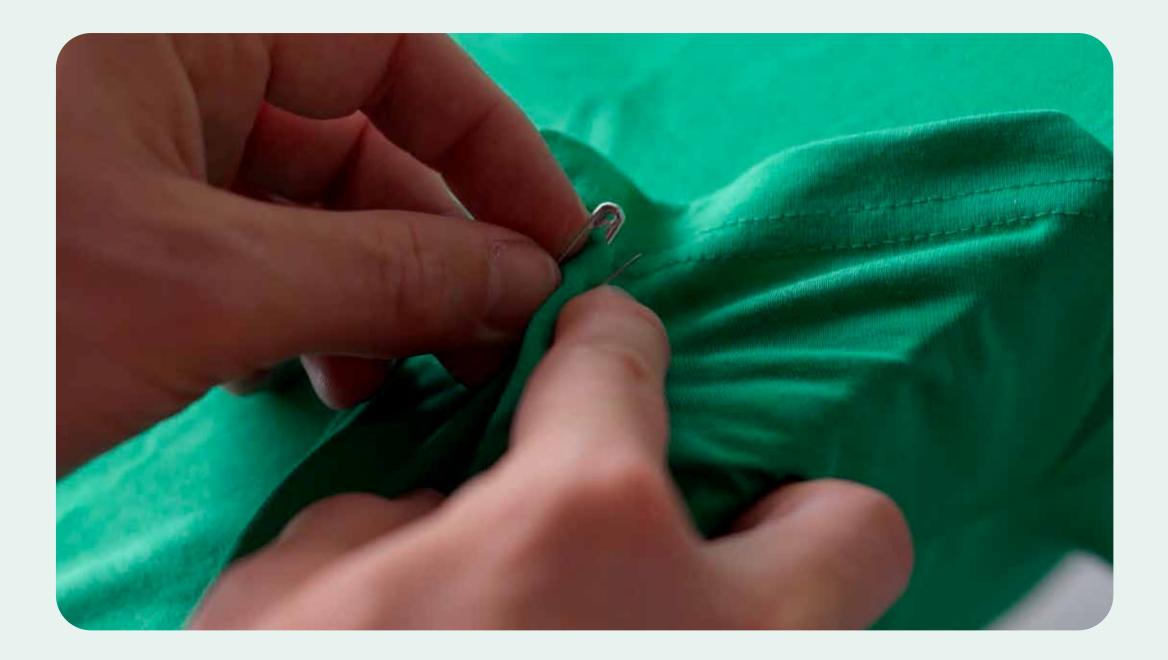

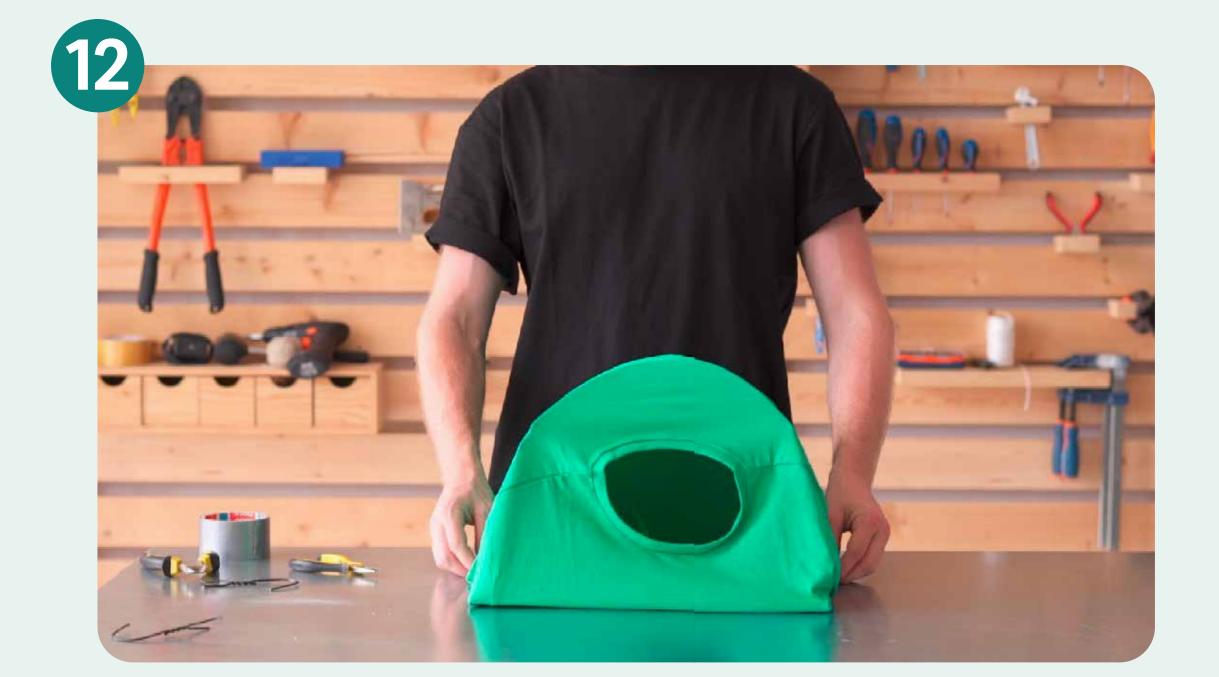

Fold and fix each arm of the T-Shirt to the base using the last 2 safety pins.

Fold the top corner into the middle.

Flip and share with your feline friend.
