Portable Dog Bowl

What you'll need:

- Scissors
- Pencil
- Used dog food bag

1 Cut the dog food bag into a square.

2 Start with the image side facing down and fold the square diagonally in half.

3 Open the square and fold diagonally in half from the opposite corners.

4 Open the square and with the image facing down, fold the square horizontally in half.

5 Take the two bottom corners and push inwards to create a diamond shape.

6 Place on a surface and flatten.

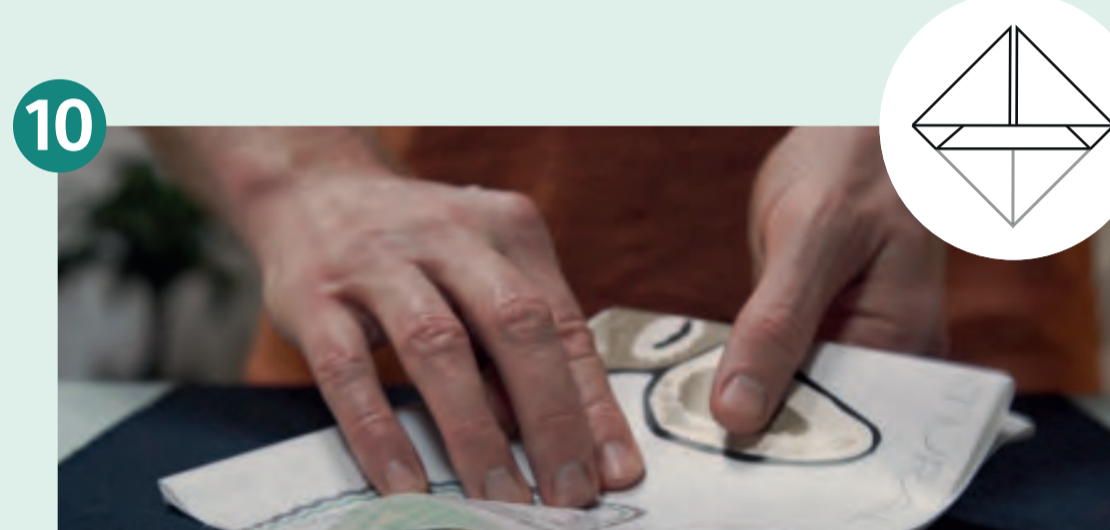

7 Take the top corner and fold in half.

8 Fold the flap into the center.

9 Fold in half again and flatten.

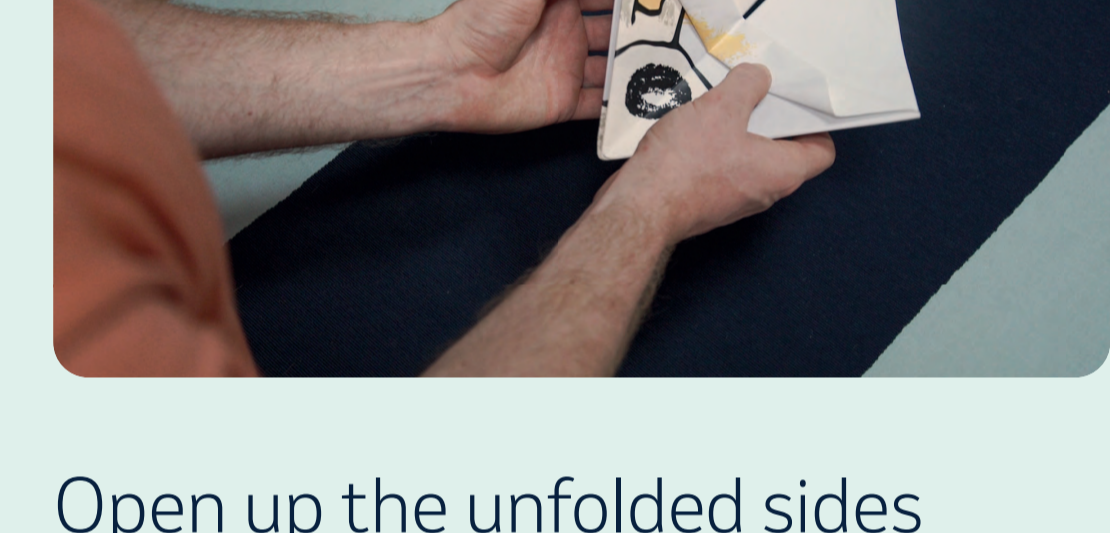

10 Flip over and repeat on the back.
